

		<b>1st International Conference on Advances in Intelligent Computing and Communication Technology (AICCT-2025)</b> 13-14 September, Organized by Department of Computer Science & Engineering United University, Prayagraj, India				
<b>Day 1</b>		<b>Technical Session 4</b>		<b>Offline Presentation Schedule</b>		<b>Date:13/09/2025</b>
<b>S. No.</b>	<b>Paper ID</b>	<b>Paper Title</b>	<b>Presenters Name</b>	<b>Time</b>	<b>Session Chair</b>	<b>Venue</b>
1	95	Minimizing Outage Probability In MIMO-UWOC System Using Alternating Metaheuristic Power Allocation	Shambhavi Tiwari	02:00PM-02:15PM	Dr. Manoj Kumar Pal (United University)	Auditorium B-Block, United University, Prayagraj, India
2	31	Anomaly Detection in Cloud Storage: A Systematic Survey of Models, Datasets, and Metrics for DDoS Precursor and Insider Threat Identification	Rajesh Prasad	2.15PM-2.30PM	Dr. Shweta Singh (United University)	
3	126	Gan-Driven Data Augmentation For Enhanced Diabetic Retinopathy Classification Using Deep Learning Frameworks	Naveen Kumar Gupta	02.30PM-02:45 PM		
4	135	Multi-Class Anomaly Detection In Network Traffic Using Supervised Learning)	Saumya Agrahari	02:45PM-3 PM		
5	136	A Stacked Learning Approach To Intrusion Detection For Robust Network Protection	Anshuman Rai	3.15PM-03:30 PM
